proceed forward again. Unfamiliar with this signal, the red flashing light looms before him and he has another decision to make in haste, if he is not prepared for it."

Chief Willard stressed a red flashing signal means stop and yield right-of-way to persons in the crosswalk. "A patrol car is being assigned there at every available moment the children are using the intersection, but we can't have one there every minute. We're hopeful motorists

will become acquainted with the operation of the light." The youngster hurt there last week walked into the side of a car. The motorist told police she was in the intersection when the light began flashing red.

A state traffic engineer, who inspected the light on Tuesday, said it was a standard installation for a school crosswalk, and that if Granite City wanted a three-color — red, amber and green light — there, the crosswalk installation would have to be relocated in the middle of the block.

**Matter Of Education**  
District Traffic Engineer George Crawford of the French Village state highway department office, told the Press-Record, "It's a matter of educating the motorist and the child. Motorists know a flashing red signal means stop until the inter-

section or crosswalk is clear, and the period of red flashing is long enough to permit a group of youngsters to cross. It is the duty of the school safety patrol to see that the youngsters cross in groups and do not straggle." Crawford said confusion usually results when the signals first are placed in operation, but that the \$3000 installation is the same as are in operation at other school crossings in the Granite City area and in Madison and Venice. They are located at 20th and Benton streets at Emerson school, on Broadway at the Venice schools, on McCannbridge highway 66-40 at the Mitchell school and State Route 162 at Stallings school.

Crawford said the signals, when activated by pushbuttons at the curbline, an amber light goes on, warning motorists to go slow for the flashing red signal which goes on next. At times when there are no youngsters there, or hours when the signal is not in operation it is dark.

## Hits Excavation

The front of an auto driven by Floyd Moss, 22, of 2012 Omaha street, was damaged when it hit a construction excavation at Madison avenue and Second street, Madison, at 5:15 p.m. Monday. Moss said he was making a turn when another vehicle forced his machine into the hole.

afternoon's accident, and vigil is to be maintained during the times youngsters will be using the crosswalk and lights.

Crawford explained the operation of the light is regulated by a timeclock that restricts it to hours when children would be crossing busy Madison avenue. "At all other times, the light is dark," he stressed.

## Schenhoffer New Madison Rotary Club President

Alex Schenhoffer, currently vice-president and secretary of the Madison Rotary club, was elected as 1962-63 president of the club at a weekly meeting yesterday. He and other new officers will begin their duties July 1 following an installation ceremony in June.

Schenhoffer will succeed Fred Schmidt as president. Others chosen were Lawrence Palkes, first vice-president; Lewis Waggoner, second vice-president and secretary; Charles Foley, treasurer; and Anthony Zedek, sergeant-at-arms.

Those elected to the board of directors for the coming year were Schmidt, Harry Thebaud, John Seelack, Rev. Howard Lucas and William F. Winter. Schenhoffer is installation loan officer and assistant officer of the First Granite City National Bank. He resides at 1807 Sixth street with his wife, Anne.

Active in Tri-City Knights of Columbus Council 1098, Schenhoffer also is a member of the finance committee of the River Bluffs Girl Scout Council. The election was based on nominations submitted by a committee consisting of E. A. Friedman, William Mehl and Frank Fljan.

It was announced that the club's luncheon honoring the Madison high school basketball team has been postponed one week to Wednesday, April 4, so that a well-known college coach can participate.

and one in 1959. His group provided the five votes when the board voted 5-2 in 1958 to select Dr. Harold M. Kaiser for the superintendent vacancy created by retirement of Superintendent A. Grigsby.

Early issues cited by the group were the hiring and bidding procedures being followed, and spending for conventions and legal fees. Accomplishments included extending competitive bidding to all phases of operation of the school system, vesting greater authority in the administrative staff for personnel recommendations, expanding the administrative staff and classroom facilities, enlarging principals' role as educational leaders, limiting board convention attendance and spending, reducing school debt and cutting the board secretary's pay.

Bischoff sums up the six years, some of them controversial and all of them marked by rapid enrollment growth, as "enjoyable most of the time." He adds that he feels it has been a "privilege" to be of service to the district. Operator of a 400-acre farm, Bischoff also is associated with a horsecrasher processing firm. He is 50 years old and resides at 1101 West Pontoon road.

## Grades In Accelerated Class May Be Weighted

A study is being made of "weighting" future Granite City high school grades to take into account the regular and accelerated instruction programs, Supt. Harold M. Kaiser told the Granite City school board Tuesday night.

The topic arose at a board meeting two weeks ago, when the effect of grouping of students on their academic standing was discussed. Supt. Harold M. Kaiser stressed that qualification for accelerated classes is earned through scholastic achievement, rather than potential; when achievement drops, a student returns to the other group.

In a further explanation Tuesday night, Dr. Kaiser noted that an "A" for "achievement class" is recorded on the grade transcripts of students in class, along with the grades they received. He also said universities and scholarship organizations take independent tests into consideration as well as a student's comparative grade.

### Higher College Standards

Since college standards are being raised and secondary school grades are given consideration in admittance decisions, it is planned to devise a new grading method to distinguish between grades of the regular and advanced instruction groups, the superintendent said.

In this way, the incentive to qualify for accelerated classes can be maintained while assuring that a student's record will not be unduly affected by the more difficult study assignments, it was pointed out.

Cost of school tests was reviewed Tuesday night and board members were told there is no charge for tests that are compulsory.

Basic objective of the testing program is to identify students' potential abilities so that they can be developed to the maximum, Dr. Kaiser said. In addition, some tests enable pupils to qualify for scholarship grants.

## GSI Awaiting Order For 540 Subway Cars

General Steel Industries, Inc., is awaiting confirmation from the New York City Transit Authority on approval by the New York Board of Estimate for a \$60,000,000 contract to build 540 new subway cars at the St. Louis Car Co. plant. The Granite City plant would supply 1080 trucks and the car frames.

A spokesman at GSI's main offices here said the NYC Board of Estimate is scheduled to meet late next week and probably will take action then. The contract will be a continuation of a current order and no material increase in employment at either the St. Louis or local plant is anticipated. The local plant employs about 1500 persons at present.

The new contract could provide work through 1963 at an estimated rate of 40 cars a month. The St. Louis and local GSI plants currently are working on earlier orders for 236 subway cars.

Edwin B. Meisner Jr., president of St. Louis Car Co., said the order would be the largest in the 75-year history of that company.

## Survey of Public Fallout Shelters Nears Completion

A survey of possible public fallout shelters in Granite City is approximately 75% completed, the surveying engineer said today, while inspections in the remainder of the Quad-Cities area is finished.

Willard Flagg, Edwardsville structural engineer, said the study should be completed by the end of next week. Original completion date had been set for Saturday.

Flagg is making the survey here under sub-contract to the consulting engineering firm of Homer L. Chastain & Associates, Decatur. His study includes Madison and Venice, as well as Granite City and Nameoki and Venice townships.

The Decatur firm is responsible for conducting the survey in Southern Illinois as part of a state-wide program under contract to the U. S. Army Engineer District of Chicago. Coordinated with state and local Civil Defense agencies, the survey is part of a nationwide effort.

The survey is designed to locate existing buildings which might be suitable for public fallout shelters accommodating a minimum of 50 people. Once gathered, information on such structures will be forwarded to the Engineer District and processed.

Eventually, the information is expected to be used in a public shelter program backed by the federal government. The survey has been designated as "phase one" of the nationwide plan.

## Contract Talks Continue At Local Smith Plant

## Women Voters Hold Annual Meeting Tuesday

Mrs. Gordon Alford was elected secretary and two new board members were named during the annual meeting of the Provisional League of Women Voters of Granite City, held Tuesday night at city hall.

Mrs. George Mauze was appointed voters' service chairman and Mrs. Leo Roman took the post of state agenda chairman. The league also adopted a 1962-63 budget.

Informative talks on Madison county's proposed land use and subdivision control were given by Alton May of the county board of supervisors and G. W. Hoelscher.

"Know Your Town" committee reports were submitted by Mrs. Donald Partney, personnel, finance and equipment; Mrs. Helen Gantcheff, planning and zoning; and Mrs. Elma Hoover, recreation.

Nine additional reports of other "Know Your Town" committee members are to be submitted at future meetings of the league.

## Peanut Victim, Girl Treated At Hospital

Two Quad-Cities children were among those receiving emergency treatment at St. Elizabeth Hospital Tuesday, one a Granite City boy and the other a girl from Madison.

Roger Pritchard, two, of 5109 Maryville road, was treated at 5:20 p.m. after a peanut became lodged in his nostril, and Karen Lawson, six, of 1822 Fourth street had x-rays at 9 a.m. for finger injuries received while playing basketball.

## Mrs. Helen Leverich Succumbs At Age 56

Mrs. Helen Leverich, 56, of 3926 Lake street, died at 6:20 a.m. Tuesday at St. Elizabeth Hospital, where she had been a patient one day. She had been under medical care for a heart ailment for several years.

Mrs. Leverich had been a Granite City resident since January 1960, previously living in St. Louis. She was born at Carbondale.

Her husband, Oren, is employed at the General Cable Corp. in St. Louis.

Mrs. Leverich is survived by three sons: Cecil, Charles and Donald Jones, all of St. Louis; two daughters, Mrs. Louise Miller, East St. Louis, and Mrs. Shirley Gates of St. Louis; a sister, Mrs. Charlotte Brown, Riverside, Calif.; two brothers, Edward and Earl of Oklahoma City, Okla., and Louis Earl of Oakland, Calif., and 22 grandchildren.

## 10 Accidents Add 11 To Injury List

Eleven persons were injured in ten accidents in the Quad-City area involving Quad-City cars since Monday, including a two-car crash last night in which three persons were hurt.

Injuries were suffered by three persons in a two-car crash about 10 p.m. Wednesday at Maryville road and Waterman avenue. One motorist, Donald Belmer, 36, of Collinsville, was charged with speeding and posted his driver's license as bond.

Belmer was treated at St. Elizabeth Hospital for abrasions to his forehead and left knee; and a passenger in his car, Donald Bowles, 16, of 49 Villa drive, was admitted for further treatment of his injuries.

The other driver, Michael Lombardi, 39, of 3204 Madison avenue, was examined for injuries to his neck, left hand and leg. All were taken to the hospital by ambulance.

Belmer told police he was traveling 40 to 45 miles an hour east on Waterman when he arrived at the intersection and applied his brakes, crashing into Lombardi's car, which was going south on Maryville road.

Both cars spun around and Belmer's went into the yard of Kermit White, 2400 Waterman avenue, damaging the lawn and a five-foot sweet gum tree.

**Woman Hurt Badly**  
Mrs. Martha Thompson, 66, of 2914 Pershing avenue, was admitted to St. Elizabeth Hospital with possible head injuries, shoulder pains and abrasions to the forehead following an accident on McCumberg at 10:10 a.m. today.

She was a passenger in a southbound car driven by her husband, Bert, 68, which rammed the rear of a trailer being pulled by the car of Clarence Norman, 23, of St. Louis. Norman, who said he was stopped to make a left turn, was charged with reckless driving. He was released on bond to appear for a hearing Saturday.

**6 Hurt In Crash**  
Among six persons injured in a head-on collision near Columbia, Ill., at 3:30 p.m. Tuesday were two Granite City men: Leroy Jung, 42, of 2209 Nevada avenue and Walter Glen Crawford, 42, of 3021 Washington avenue. An automobile driven by a Columbia youth crashed into Jung's car on Illinois Route 3, two miles north of Columbia. The local men had been on the Jefferson Barracks bridge and were returning home from work.

Jung and Crawford, employees at Union Electric's Meramec River plant, were taken by ambulance to St. Mary's Hospital, East St. Louis, where Jung was treated for a fracture of the right arm, and Crawford for head injuries. Both men were admitted.

The other auto, driven by William Sweetwood, Jr., 38, of Columbia, was proceeding south in the wrong lane of the highway when the crash occurred. Illinois state police said. Sweetwood suffered head injuries, and his father, William Sweetwood, Sr., a passenger, received injuries to the head and chest. Also treated at the hospital were Paul Dudley of Chokita and Norman Johnson of East Carondelet, passengers in Sweetwood's car. Sweetwood was charged with reckless driving.

Paul Lybarger, 5, son of Mr. and Mrs. Henry P. Lybarger, 2719 Marshall avenue, was struck by a car driven by Mrs. Nelda F. Wilks, 33, of 2015 Marshall avenue on Monday, suffering abrasions and cuts to his nose and scalp.

The boy, returning home from Marshall school kindergarten class, was taken to ambulance to St. Elizabeth Hospital, where he was treated for injuries and admitted for observation. The motorist, who was driving south on Marshall, told police the child ran into the street from behind a parked car.

**Models, Committee For Fashion Show Confer**

Mrs. Hildred Lewis, chairman of the Coolidge junior high school PTA's second annual style show, introduced members of her committee Tuesday afternoon at the school to the students who will model fashions of local stores in the "In A Spring Garden" program April 3.

Over 70 boys and girls attended the conference. Mrs. Valerie Eyenden, PTA president and commentator for the show, assisted Mrs. Lewis in briefing the models on their portion of the program and they are to obtain the garments to be modeled. They will be trained by a professional model, Mrs. Evelyn Line, ticket co-chairman, who said sales are being made by all students and Coolidge PTA members.

## New Facilities Here Boost General Steel's Outlook

Partially as a result of new facilities installed last year at the Granite City plant which are expected to increase production here, the outlook for General Steel Industries in 1962 is good, stockholders were told in the corporation's 33rd annual report issued today.

As a result of the new facilities, the Granite City plant now makes smaller size castings which formerly could not be produced competitively. In the past, such castings both for the company's own use and for resale were purchased from outside sources. The new production capacity is expected to open up a market for the market, the report noted.

Another boon to the firm's business this year will be shipments to five railroads of one-piece steel flat car underframes, also produced at the local plant. The new high-speed railroads at the end of 1961 year will be filled during 1962.

**Other New Products**  
Two other products of the plant which are expected to result in an increase in sales this year are the new "General 70" railroad passenger car trucks and a new manganese steel truck designed for high-speed rapid transit, commuter and main line service. The report said, while the manganese cast-

**Red Cross Chapter To Hold Election In April**

Plans for election of new officers and directors in April were made by the board of the Tri-City Chapter, American Red Cross, Tuesday at the Chamber of Commerce office.

Chairman Floyd T. Mitchell outlined Red Cross aid in the storm early this month along the Middle Atlantic coast. With 1754 dwellings destroyed, 2,382 persons injured, and \$201 million damaged, 16,429 families suffered losses. The Red Cross is still providing food, clothing and shelter to 3600 disaster victims in 18 shelters, compared to 6000 in 1960.

It was decided not to send a delegate to the national convention in Seattle. A February home service report showed 164 contacts, including 48 from the Engineering Dept., with 61 counseled and 13 given financial assistance.

**Shaver Addresses Teachers Federation**

Democratic candidate for county superintendent of schools, spoke at the March meeting of the Granite City Federation of Teachers yesterday afternoon at Coolidge junior high school.

He reviewed his experience as a teacher, coach and administrator, covering the time when he was a rural school teacher through his 10 years as assistant superintendent of Madison county.

Shaver promised that if elected he will audit the certification funds and see that all teachers in the county get a copy of the audit. He also said he would visit the county schools as required by the Illinois School Code.

**Conflict In Names**  
Mrs. Helen M. Kelly, 1423 Third street, Madison, advises the Press-Record she is not the person receiving a marriage license in St. Louis recently. The license was secured by Helen S. Kelly of Granite City and James C. McMahon of St. Louis.

**Science Fact and Fable**  
To fight the common cold, people have thought up some wild remedies, some of them worse than the cold itself. For example, the English in the 18th century made a drink from human skulls and used it to cure colds.

## Stallings Pupils Show Varied Art Projects

Elephant, penguins and turtles of the paper mache variety are among art projects on display at Stallings school.

The week-long exhibit, which ends tomorrow, is the work of all students, and includes paper mache animals by fourth grade pupils, scrapbooks and reproductions of masterpieces by third and fourth grades and scenes by sixth grades. Edward Biznek, principal, told the Press-Record.

Eugene L. Alassi, director of the Granite City high school art department, outlined the plan to Stallings teachers, who supervised the projects.

**Stockholders' equity** at the end of 1961 totaled \$3,174,976 and the book value of the common stock was equal to \$41.19 per share on 926,820 shares outstanding. This compares with stockholders' equity of \$36,225,124 at the end of 1960, which was equal to \$39.52 per share on the then outstanding shares.

**Zoning To Be Debated At Fosterburg Saturday**

Four panel members have been named for an unofficial meeting on the Madison county zoning proposal at 7 p.m. Saturday at the Fosterburg town hall. The public gathering was called by Thomas Harris, supervisor of Fosterburg township, who will preside over the meeting.

Gene H. Graves, coordinator of the Community Development department of Southern Illinois University, and Norman Johnson, also of SIU, will speak on behalf of zoning. Opponents will be Dan Gelliker, farm member of the Foster town board, and a Farm Bureau director, and Wm. Stutz, Fosterburg contractor. Moderator will be a representative of Station WDBV, Wood River.

**Larry Lux, Others Treated At Hospital**

Larry Lux, 16-year-old son of City Clerk and Mrs. Percy Lux of Madison, was treated at St. Elizabeth Hospital at 6:15 p.m. yesterday for a cut to his nose received while playing basketball. He was released after the wound was sutured.

Also treated at the hospital yesterday was Betty Ann Walker, 18 months old, of 2015 Thirtieth street, who had been bitten by a dog.

Zella Nash, eight, of the Cloverleaf Addition, Madison, had x-rays and a splint applied to her right arm after it was injured in a bicycle mishap.

## Aiassi Named To 'Who's Who' In U. S. Education

Eugene Aiassi, supervisor of art education in the Granite City school district, is listed among additions to the 1962 edition of the St. Louis Car Division's "Who's Who in American Education," just published under the auspices of "Who's Who in America."

Aiassi, who resides at 2501 Delmar avenue, has taught the last 16 years in the Granite City school system, and is the second GCHS faculty member to be listed in the volume, which has been published on alternate years since 1928. The first was former high school Principal and School Supt. Paul A. Grigaly.

Additions to "Who's Who" are recommended by college and university presidents and by superintendents of schools in cities of 5000 or more population, then finally screened by the "Who's Who" board. The latest biographical directory includes leading educators from the United States and Canada.

Aiassi currently is preparing a manual for the evaluation of the final draft of a state-wide high school art teaching guide, at the invitation of the State of Public Instruction George Wilkins.

The main plans a summer "vacation" in Mexico, where he has completed a number of murals for state and city buildings. Aiassi has been active in the art teaching field for 20 years.

## Preparation Of Soil Studied By Thorngate Club

"Preparation of Soil" was the topic of the Thorngate Garden club program at a monthly meeting Tuesday. Mrs. Lawrence Markham was the hostess in her home on Thorngate drive and also had charge of the day's program.

Mrs. Clara Schilling, vice-president, conducted the meeting after a dessert luncheon served by the hostess. Each member and guest was presented by a hostess with a miniature shamrock to wear.

In her talk, Mrs. Robert Miller explained various ways of reading soil for different plants, flowers and shrubs, and also explained the many useful and decorative containers found in the home. She showed a variety of unusual "planters" made from everyday containers and then discussed the hostess spoke on the planting, care and preserving of cut animals.

Mrs. Robert Leu, a guest, joined the club at the end of the meeting and the others attending were Mrs. Hastings, a guest, and members, Mrs. Harry Smith, Mrs. James Cochran, Mrs. Charles Guth, Mrs. Frank Hefler, Mrs. John Moser, Miss June Markham and Mrs. Walter Mass.

The next meeting will be April 10 at the home of Mrs. Cochran on Thorngate drive. Pictures and slides of Holland and Alaska will be shown at the meeting.

## Mrs. Robinson Gives Topic At Sorority Meeting

"Am I Morally Responsible" was the topic of the lesson given by Mrs. Mary Robinson at a meeting of Phi Beta Tau chapter of Beta Sigma Phi sorority in her home, 3025 Washington avenue, last night.

Convention plans were made by the group and a report of the nominating committee was submitted. The officers to be elected at the next meeting.

Refreshments were served, and the prize for the evening went to Mrs. Janet Bogosian. Others present were Mesdames Mary Fromberger, Shirley Bailey, Gloria Munday and Nancy Robbins. Mesdames Diane Nemeth, Din Harris, Sue Cook, Barbara Anne Sellers and Ruth Stover.

## Band Parents At GCHS Plan Tag Days, Auction

At a monthly meeting of the Granite City High School Band Parents Association Tuesday evening in the band room, plans for the annual tag days and an auction were made. Forty-five members attended the meeting, conducted by Sidney Stroheide, president.

The annual tag days will be held April 18, 19 and 20, Mrs. Lillian Heffler, chairman for the second consecutive year, said. The students, in uniform, will be in the shopping center with their canisters.

Mrs. Heffler said there is no set price for the tags, the donor giving what he wants to give. Funds collected go toward the annual band tour, which this year will be to New Orleans, La.

The group also discussed holding an auction in Cottage Hills with proceeds going to the same cause. Anyone may donate to the auction, which is to be held later this spring. Mrs. Izetta Staydhar is in charge of securing a committee.

A committee was selected to present nominations of officers at the April meeting. Those named were Mike Kavula, James Singleton, James Harsh, Mrs. Roger Hoover, Mrs. Lowell Ferguson, Elmer Jackson and N. E. Dunscomb.

Band Director Louis Meek announced that plans for the band tour are proceeding, but no definite costs or arrangements have been determined.

The evening's hostesses were Mrs. Ferguson and Mrs. Ralph Stegmeyer. Meek reported that the last concert of this year will be held in the auditorium April 5. The next meeting of the association will be April 10.

## 546 Farms To Take Part In Feed Grain Program

Corn and grain sorghum producers on 546 farms in Madison county have filed forms indicating their intention to participate in the 1962 feed grain program, according to Edwin C. Rethmer, chairman of the County Agricultural Stabilization and Conservation committee.

The program provides special payments to corn and grain sorghum producers who agree to divert a portion of the acreage formerly planted with these two crops in an approved conservation use, in an attempt to increase farm income and reduce feed grain surplus.

The program is voluntary, but crop producers will not be eligible for 1962 crop price supports unless they cooperate in the feed grain program.

Payments for diversion from corn and grain sorghum production in the past totals \$23,760, according to Rethmer. The 546 participating farms include 10,863 acres of corn and 38 acres of sorghum.

## SECTIONAL SIDELIGHTS

Second-ranked DuSable of Chicago became the latest prestige club to bow in the Illinois pre-eliminations. Tuesday night, DuSable was eliminated by the familiar name in state tournament play the past several years—Marshall.

The Commandos, who have won two state championships in four years, upset DuSable 56-33 in a triple overtime after coming back from a nine-point halftime deficit to tie the game, 45-45. It was only the second loss suffered by DuSable this season.

Marshall will play the winner of tonight's Carver-Parker game, with the winner getting a berth in the Evanston supersectional.

Coach Earl McClanahan took time out from concentrating on the sectional tournament Tuesday night to attend a Midwest conference meeting in High-Moor, where he accepted the MWC basketball championship trophy on behalf of the Trojans.

Attending with McClanahan were Coaches Glen Pickering, who earlier had brought home the conference football trophy (Madison was unbeaten in conference football this year also), Bob Page, Bob Barnhart and Joe Asperger.

Don Freeman of Madison, Jim Long of East St. Louis, Ron Matlack of Collinsville and Denny Neumann of Triad were among 25 prep players named yesterday to the Chicago American's All-Southern Illinois squad. Lincoln of Venice's Bob Chab was a member of the Little All-Southern Illinois squad.

This week's action on the Granite City and Salem high school courtsports scene also included appearances of Triad and Southwestern in sectional tournaments. Both represent recently consolidated school districts and both won their first regional titles last week.

### IT Litchfield here tonight, it will set up a situation identical to the finals of the 1959 season, when Madison and the Panthers met in the championship game.

—on the Granite City floor, the Trojans won that one under Coach Buddy Mueller, 76-53.

### THE United States has more than 6800 hospitals for medical and surgical treatment.

## Tri-County Bowling Tournament Entry Deadline Is Sunday

The entry deadline for the Madison-St. Clair-Monroe counties bowling tournament, sanctioned by the Greater St. Louis Bowling Association, is midnight Sunday. Fred Johnson of the association said today.

Team events will begin on Saturday, March 30 at Bowland Jones here, while the doubles and singles events will open at the Cahokia Bowl in Cahokia on Saturday, April 7.

Tournament entry blanks are available at all local bowling establishments.

## Freeman Scores 40 In 87-53 Waltz; Belleville Plays Litchfield Tonight

Madison's Trojans, who seem to have the knack for conserving energy when it is not needed, rolled effortlessly past Southwestern here last night in the first game of the Granite City sectional basketball tournament, 87-53.

Earl McCannahan's club was not particularly sharp in winning its 28th straight game, but once again proved that the lack of size is not going to hamper Madison in its bid for a state title.

Led offensively by Don Freeman, who scored 40 points, the Trojans blew the lid off the contest with a 47-point second half to advance to the sectional finals tomorrow evening against the winner of tonight's Belleville-Litchfield game.

Renn, Bechtold Out  
Madison is the favorite tomorrow night, regardless of who emerges this evening. Belleville's (22-4) had been slight favorites over the Panthers (15-8), but the complexion of things changed this week when injury and illness took its toll among Coach Jerry Turner's regulars.

Dave Renn, a starting forward, has his right arm encased in a cast about halfway to the elbow after sustaining a broken bone in his hand in a Tuesday practice. And Roger Bechtold, the Maroons' top scorer with a 15-point average, was in bed with the flu last night.

Belleville's stock dropped a couple of points, needless to say. Jerry Jowett and Les Lund probably will be called on to fill the gaps tonight.

Centralia Wins  
Over at Salem, where the sectional champion will move to the East St. Louis "super" next Tuesday, together with the Granite City winner, top-ranked Centralia scored an impressive 91-50 win over Triad in the tourney's first game. On Friday, the Orphans play the winner of tonight's Flora-Shelbyville game.

Madison trailed once last night, 2-1, on 6-3 Al Evers' layup basket. But Freeman broke loose for 15 points in the first period and the Trojans carried a 22-11 advantage into the second quarter.

Southwestern's 6-6 Bill Graham, faded into committing three early fouls by Freeman went scoreless in the first half and spent the entire second period on the bench as Coach Bill Parmentier played it safe. 15 baskets for Freeman Freeman again was little short of sensational. Often almost hidden by Piasa defenses, he passed off deftly to wide-open teammates as the Trojans climbed to a 40-27 halftime edge and crossed it to 62-40 after three periods.

He left the game with 4:20 remaining, after hitting 15 of 20 shots from the field and canning all 10 of his free throw tosses.

## Southwest Officials, Coaches' Dinner Meeting March 26

Members of the Southwestern Officials association and Southwestern Coaches association will hold a joint dinner meeting at the Western Club in East Alton on Monday, March 26. Midwestern college coaches and area high school coaches are being invited to attend the informal gathering, highlight of which will be a "rehash" of the Illinois state high school basketball tournament.

Joe Lucco, athletic director at Edwardsville high school, is president of the coaches' group, and Jim Corbin is president of the officials' association.

Program committee members are G.C.H. Athletic Director Dick Yates, secretary of the coaching group; Madison Coach Joe McCannahan, Francis "Pat" Dant of Madison, Reno Tenet of Edwardsville and Tom Gushoff of Granite City.

## Federal Aid Avoided GCNS Shifts—Kaiser

The impact of federal installations on the Granite City school district has resulted in \$1,240,893 special aid—\$848,778 for construction and \$392,117 for operation and maintenance—since 1958, Supt. Harold M. Kaiser told the school board Tuesday night in presenting a summary of the grants. Granite City high school might now be operating on a shift basis, with students attending on staggered schedules, if the aid had not been received, he added.

The operating costs are obtained under Public Law 874, which provides funds in lieu of taxes for the education of children of persons employed at non-taxpaying installations, such as the Engineer Depot and sections of plants handling federal contracts. About \$90,000 is being sought under this law for 1962.

"During 1958, district No. 9 received \$247,850 in federal aid under Public Law 815 for new construction to assist in the completion of three new high schools, Wilson, Lake and Maryville," Dr. Kaiser related.

"In 1959, the district's application for federal money was denied by the government, based upon the financial situation of the school district. At that time, new information as well as additional details and information on enrollment and building needs were formulated and presented by the superintendent to the federal authorities.

"As a result, the district was granted \$601,128 for new construction, which was used for 20 classrooms and three shops at the high school.

"If money had not been obtained from federal sources for operation of schools and new construction, the district would have had to levy the \$1,240,893 against local property. This source of income represented money collected from all groups in the United States to offset federally-imposed areas. As a result, considerable financial assistance has been made to the district."

(Continued from Page 1)

strait, for selfish political purposes," the state's attorney said.

"If I am elected state central committeeman, you can be sure I'll speak up for this district. I will oppose domination of the committee by Mayor Daley, publicize the activities of the committee, suggest a program of active support for Pres. Kennedy and continue my fight as state's attorney against organized crime and its political partners."

**Nine in Representative Race**  
With Madison having four candidates, Venice has none and Granite City incorporated area has only two. State Rep. Lloyd C. Harris and Alderman Casmer Skubish, representative aspirant. None of the three township committees has endorsed Rep. Harris.

The nine-way race for two Democratic nominations also includes Sam Paul Drenovac of the Granite City rural area and Guy M. Lahr Jr. of Mitchell.

The powerful Venice township organization so far has endorsed only Fraundorf, Lewis and Hitt.

The township Democratic committee, headed by Donald Broyles, are supporting O'Neill, Kinney, Lewis, Fraundorf and Trimpe. No formal decision has been made on either the Lewis - Mudge - Hennessy-James Hilligoss contest or on

**Nameoki List**

**INDIVIDUAL SERVICE AWARDS** were presented to three members of Roca young men's club during installation ceremonies Tuesday at Big Top Bowl. Left to right are Warren Markell, holding plaque as outgoing member of the club's Black chapter; James Harsh, newly-elected club president and recipient of the founder's plaque; and Dan Browley, voted the outstanding member of Gold chapter.

the state representative positions.

The Nameoki list is similar to that of Wood River leaders, who are backing O'Neill, Kinney, Lewis, Fraundorf, Trimpe, Fields and two representative candidates, William Johnson, East Alton, and John McConnell Jr., Alton.

Granite City Democratic Chairman Harold Von Dee Cruise told the Press-Record that each committeeman is free to recommend his own selections to voters.

Support in Granite City toward Harris and Alderman Skubish for state representative nominations, and Kinney, Lewis and Fraundorf, The Mudge-Fields and Shaver-Trimpe races are regarded as "tossups," with O'Neill possibly edging out Simon among the committeemen.

Fraundorf's candidacy, which originated when he was placed ahead of County Treasurer Dan McGee and Deputy Probate Clerk John Macrae by Venice township committeemen, has been picking up steam since Mayor Harold Roberts, assistant Alton police chief, was called back to duty.

Roberts had obtained a leave of absence to campaign for sheriff, but resignations by 22 Alton police on a different issue left the department short-handed.

**GOP Man On Demo Ballot**  
As yet, little active campaigning has been noted among supporters of Edward D. Gresham, former Republican opposing Kinney for the Democratic county judge nomination, or among the backers of Arthur F. Wendler and George M. Berry, Lewis probable judge primary foes.

An unknown quantity that may be a factor in April is the effect of the levee district power shift. It obviously will figure in the struggle to name the state central committeeman, since Fields and Hennessy are among the candidates.

Backers of Mudge note that Madison county apparently had no voice in the governor's surprise decision to veto a 1961 levee district enabling act which would have led to a bond issue for Granite City drainage relief. The veto occurred shortly after Fields' men lost a court battle

to retain control of the district. Assurance had been given that the bill would be signed.

The St. Clair county strife also could figure in other Madison county races, since Fields and the Hennessy group each have links with politics in this area, and levee district patronage is contested for by local groups.

**Few Republican Candidates**  
Little interest is being aroused on the Republican side, where the only county candidates are two sheriff aspirants, William C. Straube and Lester M. Vierling, nor is there much pre-election activity relating to the Democratic county treasurer, county clerk and probate clerk nominations, for which Sheriff George Musso, Miss Eulalia Hotz and Hitt are unopposed.

With most state Democratic nominations uncontested, Quad-City support is expected to go to Cong. Yates on the Senate candidate. He is opposed only by a perennial office-seeker, Larry "America First" Daley.

Major Republican support here appears likely to go to Sen. Dirksen — opposed by Harley D. Jones — and to Walter Reum or Maurice Cohn in the three-way state treasurer primary race.

## Community Groups to Hear Youth Commission Head

John A. Troike, chairman of the Illinois Youth Commission, will address members of the Madison County Federation of Community Youth committees at their second annual dinner meeting Monday evening at the Rock Springs park community center.

Among committees in the federation are youthful members of the Eagle Park association, Kerr Island committee, Little Linda's committee and Forest Homes Improvement association, all of Madison; and the Kirkpatrick of Homes Improvement association of Granite City.

## Model-Building Course To Begin Saturday

Optimist Club-sponsored building courses for young airplane modelers will begin Saturday morning. It was announced during last night's meeting of the City Sky Stealers model airplane club, held at the local YMCA.

The Sky Stealers' also definitely set Sunday, Aug. 12, as the date for the club's annual open flying meet which will be held in Wilson Park. The meet will be sanctioned by the national modelers association.

The building courses will be held each Saturday from 9:30 a.m. until noon. TCSS members will serve as instructors.

The club accepted two new members, Eddie and Vicki Couch, last night, and membership now stands at 35.

Member Jim Turner presented a demonstration on radio controlled flight during the business meeting, and among models displayed were a radio-controlled glider and free flight plane.

Club members reported no progress toward the obtaining of a permanent flying site for club events, contests and sport flying.

## More Revenue Is Greatest GC Need, Mayor Davis Says

Three major needs — additional revenue, new annexation legislation and relief from liability suits — were outlined by Mayor Leonard R. Davis before the Illinois Cities and Villages Municipal Problems Commission today as the most critical ones facing Granite City.

Speaking before the commission this morning at the Belleville city hall, Mayor Davis said he is prepared to go into greater detail concerning the problems at the convenience of commission members. He called the need for additional revenue most critical, followed by the other two.

"Our costs in terms of both material and wages continue to rise and our income does not keep pace," Davis said. "Not only are our operating costs increasing, but there is a continuing need and demand for expanded services."

**Need New Tax Source**  
Granite City property taxes are already high as a result of the school rates, Davis said, and he called the utility tax "impractical in an industrial city like mine." Other sources of revenue which may someday be available through revision of the state constitution are not yet a fact, he said.

"In my opinion," he said, "the best revenue source alternative available to Illinois cities is an increase in the permissive municipal sales tax to 1%." Noting that such a proposal was defeated by the General Assembly in the last session, he urged the commission to support its passage.

## COCHRANE'S Fire Insurance Pays "Cold Cash" for Hot Ashes

Davis expressed support of annexation legislation based on findings of the commission in 1961. Under present annexation laws, he said, unincorporated fringe areas and the incorporation of unnecessary and duplicating municipalities result.

"Many of the trying problems now associated with the metropolitan areas could have been solved if proper annexation power had existed," Davis told the commission.

In regard to the third problem, the mayor voiced his agreement to the commission's 1961 finding on the need of affording municipalities relief from liability suits, particularly sidewalk liability cases.

"I urge that legislation be passed granting to municipalities immunity of the type now given by statute to other subdivisions of the state such as park districts," Mayor Davis concluded.

## Savory Rice Stuffing

Terrific With Pork

Try this delicious new rice stuffing with pork chops to perk up appetites. Easy to make with packaged pre-cooked rice, it features a medley of flavors so friendly to rice. Pork chops taste especially good with orange rice stuffing.

**Rice and Orange Stuffing**  
1/4 cup butter or margarine  
1/4 cup chopped onion  
1 1/2 cups packaged pre-cooked rice  
1 cup water  
1/2 cup orange juice  
2 teaspoons grated orange rind

Melt butter in saucepan. Add onion and saute until tender but not browned. Add rice, water, orange juice and rind, celery, salt and sugar. Mix to moisten all rice. Bring quickly to a boil over high heat. Cover, remove from heat and let stand 5 minutes. Then add poultry seasoning and mix lightly with a fork.

**To prepare chops:** Cut a pocket in each chop and fill each with 1/2 cup of the stuffing. Fasten edges with a small skewer or toothpick. Heat a tablespoon of fat in skillet, add chops and saute quickly, turning to brown both sides. Remove from heat. Add 1/2 cup boiling water, and cover tightly. Bake in moderate oven (350° F.) one to 1 1/2 hours, or until chops are tender. Place the remaining stuffing in a baking dish and heat in oven. Serve with the chops.

Underwriters Allow Fredman Bros. To Dispose of Gigantic Stock At As Much As 50% Below Original Dealers' Wholesale Costs!

Underwriters Salvage of Chicago asked Fredman Bros. to take over and dispose of huge furniture, appliance and carpet stock received in fire insurance claim. Fredman Bros. with 15 outlets could dispose of vast stock. SOOT IS THE ONLY MAJOR FAULT OF MOST OF THE STOCK. We have added a great deal of our own PERFECT merchandise to this stock at reduced prices so as to balance out the Distress Stock.

You've seen bargains before and you have even seen merchandise priced 50% below regular retail prices but we doubt that you have ever seen prices at 50% below original dealers' wholesale cost. Come in — see for yourself.

### Lesche Club Views Dresses Made By Five GCHS Girls

The Lesche Literary Club met Tuesday afternoon in the home of Mrs. Lee Stevens, 2860 Iowa street.

The hostess served a dessert course before the meeting to 19 members, an associate member, Mrs. Norman Holsinger, an honorary member, Mrs. Walter Coudler, and the following guests: Mrs. Warren Decatur, Mrs. Harold Fischer, Mrs. Pearl Campbell and Mrs. David Maxton.

The club is sponsoring a Vogue junior sewing contest and five members of the high school sewing classes are competing, and the girls modeled their own handwork for the club. They were Miss Sue Lucas, who wore a pink brocade party dress; Miss Gloria Ray, a two-piece coat and skirt; Miss Connie Sigler, a silk broadcloth garden flower print party dress; Miss Jo Ann Singleton, a blue and orchid sheath dress and jacket; and Miss Luanna Deatherage, who appeared in a red velvet and white jersey combination dance dress and a red velvet jacket.

Miss Deatherage received the first award and Miss Singleton and Miss Lucas tied for second place. All received cash awards and Miss Deatherage will model her dress at the district contest in St. Louis in April.

After the informal fashion show, Mrs. Henry George presented Mrs. Ralph Miller, who reviewed the book "With Powder on My Nose—Billie Burke," by Kaye and Cameron Slugg.

The next meeting of the club will be with Mrs. Eugene Schnipper, 1743 Garfield avenue.

## Church Women Elect Officers

Officers for 1962-63 were elected this week by the United Christian Women of Pease Lutheran Church.

The staff includes Mrs. Barbara Foomeling, president; Mrs. Norma Lawler, vice-president; Mrs. Carol Gendron, secretary; Mrs. Eloyious Kinder, treasurer; Mrs. Rose Mehling, education chairman; Mrs. Elizabeth Meserschmidt, Christian service chairman; Mrs. Margaret Harris, membership chairman; and Mrs. Gladys Freeman, education chairman.

Rev. Bodo Mehling, pastor, was in charge of the installation ceremony. The weekly services of the church are held at the IOOF hall on Grand avenue.

MISS HELEN ANN SUDHOLT, whose engagement to James E. Lorden, a son of Mr. and Mrs. Lorden of Chicago, was announced. The bride-elect is a daughter of Mrs. August Sudholt, 1534 Niedringhaus avenue, and the late Mr. Sudholt. The wedding of the couple is scheduled for April 14.

## Women Of Moose Program Features Skit And Talk

The Women of the Moose, Chapter 247, met last night for a Moosehaven Chapter night program.

Mrs. Elena Jean Olson was in charge and entertainment consisted of a skit entitled, "The Outcome of the Income," with Mrs. Margaret Fronhagen, Mrs. Viola Smith, Mrs. Rose Halbert and Mrs. Shirley Kramer taking part.

The speaker for the evening was Harry Oberlin, who discussed "Moosehaven, A City of Contentment."

One new member, Mrs. Anna Hawk, was enrolled and Mrs. Mary Murgie, senior regent, presided over the business meeting.

Prizes in the games went to Mrs. Ada Tapscott, Mrs. Hazel Staggs and Mrs. Fronhagen.

MRS. ROY SAGE IS CLUB HOSTESS

Mrs. Roy Sage, 2649 Washington avenue, had a party for her bridge club Wednesday at the Rose Bowl.

Luncheon was served at 1 o'clock to Mrs. Clyde Lester, Mrs. Clifford Givenrod, Mrs. James Bruder, Mrs. Hubert Hennrich, Mrs. Charles Clark, Mrs. Herbert Thruau, and Mrs. George Gowing.

Those who excelled and received awards were Mrs. Lester, Mrs. Givenrod and Mrs. Thruau. The next meeting will be held in two weeks with Mrs. Thruau.

## Bride-To-Be, Miss Hoffman, Is Honored

Miss Elizabeth Hoffman, an early spring bride-to-be, was guest of honor last night at a miscellaneous shower given by Mrs. Robert Reading and her daughters, Mrs. Robert Hinson and Miss Rhoda Reading, at the Reading home, 2017 East 24th street.

Miss Hoffman will become the bride of Louis Rohlfing, on March 24.

White wedding bells and pink streamers decorated the home and guests present were Mesdames Fred Ohms, Harry Williams, Claude Harris, Mary Brown, Edward Keilbach, Robert James, Vernon Guebert, Dennis Hellrung, Henry Rohlfing, John James, Elen Hoffman, Roy Hall, Raymond Ohms and daughter, Linda, of Glen Carbohn; George Buhamann of St. Louis; Elsie Morgan and William Ernst of East St. Louis and the hostesses.

Games were enjoyed and refreshments were served. A number of prizes were awarded.

## Progressive Dinner Planned By Sorority

Plans for a progressive dinner March 28, and a pin ceremony April 25 at The Spotlight were made last night at a meeting of Epistol Eta Chapter of Epistol Sigma Alpha sorority in the home of Mrs. Joyce Willmore, 2600 East 27th street.

Mrs. Judy Hinters was in charge and announcement was made of 11 members to be installed by the chapter in a sister chapter being organized. The installation will take place at the April 25 meeting.

The theme at last night's meeting carried out a green and white color scheme in keeping with St. Patrick's Day.

Refreshments were served to 12 members by Miss Virginia Judd, hostess, and the prize for the evening went to Mrs. Willmore.

## Shower Honors Miss Brzostowski

Miss Johanna Brzostowski, who will be married April 28 to Richard Kacera, was entertained this week at a pre-wedding party and shower at Kirkpatrick Homes given by Mrs. Mary Seidman, Mrs. Mary Jane Cooper, Mrs. Dorothy Lawrence and Mrs. Sharon St. Ivan, approximately 80 attended.

A yellow and white color scheme was used in the appointments and the head table held a bride and groom centerpiece. Games were enjoyed by the group and a number of prizes were presented to the winners.

## 8 Local Women Attend Annual SIU Women's Day

A number of local club women were in Carbondale Wednesday to attend the ninth annual Southern Illinois Women's Day at Southern Illinois University.

The meeting was held in the new ballroom of the building.

The program which followed the luncheon attended by approximately 800 women included musical selections and a display of 100 years of fashions.

Mrs. Delye W. Morris, wife of the university president, was honored as the 1962 leader of the year and presented with an award.

Granite City women present were Mrs. Harold Fischer, Mrs. R. E. Chapman, Mrs. Edward Roiske, Mrs. M. E. Anderson, Mrs. Elmer Baker, Mrs. John Lentz, Mrs. C. L. Louis and Mrs. W. G. Cooley.

## Mrs. Tsigolaroff Is Hostess For Sorority Meeting

Mrs. Phil Tsigolaroff, 3432 Lydia lane, entertained Theta Iota Chapter of Beta Sigma Psi sorority last night and included several guests. They were Marjorie Bishop, Louise Hemming, Carol Rittman, Evelyn Tolliver, Norma Rains and Mrs. Williams.

Mrs. Neale Harper reported on a pot luck dinner to be held March 28 and there also were reports by the nominating committee and a special committee for the area council meeting to be held April 8.

Miss Ruth Stoyanoff conducted a cultural program and led the members in the game "pass word." The bakery product was awarded to Mrs. Harvey Ebling and there was a special prize for Mrs. Delores Dorch.

The next meeting will be with Mrs. Dorch.

TR. 7-6488

**TWINS OBSERVE SIXTH BIRTHDAYS**  
Mrs. Mae Chastain, 640 Broad way, entertained Sunday with a celebration for the sixth birthdays of her twin son and daughter, Dale and Gale.

The afternoon was spent at games, and prizes were awarded to each guest. The refreshment table was decorated in the birthday theme and centered with a decorated cake. There were favors at each place.

The honorees were presented with many gifts. Those present were Susan Kowalski, Laurie Schmidt, Kathy Williams, Russell Pace, Kenneth Townsend, Thomas Shrum, Luella Riddle, Joyce Chastain, Ronald Brawley, Billy Malherk, Larry Brown and Teri Eck.

Intermediate Girl Scout Troop 161 met Monday afternoon at 161 Mark's school with the leaders, Mrs. Margaret Lee and Mrs. Margaret Reidelberger.

The meeting was opened with the Girl Scout promise, and the group discussed camping. Patrol One worked on the Marian award and Patrols Two and Three discussed the cooking badges. Mary Alice Mulnik and Ruth Welch worked on the puppeteer badge.

**MRS. OEHLEH HOSTESS**  
Mrs. Jessie Oehle entertained members of the Lepine club Monday evening in her home on Hampden street. The evening was spent at games, and prizes were awarded.

The hostess served a late luncheon to Mrs. Cecil McGee, Mrs. Naomi Boelling, Mrs. Lucy Williams, Miss Catherine McGee, Mrs. Mabel McGee, Mrs. Myrtle Fields, Mrs. Kathryn Pellers and a guest, Mrs. Sylvia Meyer of California. Hostess for the April meeting will be Mrs. Cecil McGee.

## 'Square Dance Jubilee' By 800 Youths Thursday

About 800 youngsters who have been participating in a special square dance program, will be dancing at six Granite City schools under the auspices of the Granite City park district will present a second annual "Square Dance Jubilee" Thursday night in the GCHS gymnasium, beginning at 7:30 p.m.

At 7 p.m., youngsters in the 8-13 year age bracket who take part in the park district's tumbling and rebound canyons program at the community center will present an exhibit under the direction of Pete Robinson.

The program is open to the public free of charge. Admission is by ticket only. Participating square dancers have been provided with tickets for their families, and about 2,000 general admission tickets will be available at the gate.

**Specialty Numbers**  
Robert Boyd is director of the square dance program, which will open with all 800 costumed dancers performing a round dance mixer, "Swiss Miss."

Each school will perform a specialty number during the program. Included are "Smoke on the Water" by Logan school, "Hurry, Hurry Home" by Wilson school, "Susie" by Niederhagen school, "Mighty Sweet" by Prairie and Coolidge junior high schools, and "Swing All Eight" by Nameoki school.

A separate group of the Tapdole Squares, will perform "Apache Square," "Billy Bayou" and "Sleeping Gail." Seven additional dances will involve all six schools.

The tumbling, rebound and square dancing will be performed by a dozen youngsters chosen from the program which began at the recreation center in January.

## No New Venice, Madison School Board Filings

No new petitions were filed this week in the Madison and Venice school board races. With the filing period to close March 24, one candidate has filed in each district in addition to the incumbent board members who are running for re-election.

In Venice, Joe W. Roberts of Eagle Acres filed his petition March 6 to run for one of the three positions to be filled. Incumbent Lester Salem, president; Roy Music, secretary; and Gene Eigan, all filed for re-election on Feb. 28.

Mrs. Muriel Byrne, 84 Garcesse Homes, has filed as a candidate for the Madison board in the April 14 election. Incumbent board members Oel M. Blumenstock and Frank L. Darner have filed for re-election.

All board members elected will begin three-year terms in April. Last day for withdrawing petitions is March 27.

Candidates for the Madison board must file petitions at the board office in the Venice grade school, Seventh street and Broadway.

**Home From Hospital**  
Mrs. Olie Steegmeyer, 2517 Grand avenue, returned home Tuesday from the Jewish Hospital, St. Louis, where she was a patient 11 days for tests.

## Sweet Success—Sauerbraten

A really good pot roast is one of woman's greatest culinary achievements, guaranteed to please the man of the house. Flavorful, tender pot roast is the reward for tender loving care taken to marinate the rump or chuck overnight in a delicious liquid. The beef becomes more tender, and that is the secret of delicious German Sauerbraten. A marinade contains many condiments, and the Germans frequently use beer or ale as part of it; the meat is later simmered in the same liquid. Beer lovers throughout history, the Germans long ago discovered the wonderful things beer does in cooking.

Beer or ale is the perfect, moderate beverage with a hearty pot roast and red cabbage dinner. People who enjoy good food find that beer lets them taste subtle food flavors because of its lightness, and yet has a pleasing, refreshing character all its own.

### German Pot Roast

12 ounces (bottle or can) beer or ale  
1/2 cup vinegar  
1 medium onion, sliced  
1/2 cup sliced celery  
1 teaspoon salt  
Combine beer, vinegar, onion, celery, salt, Tabasco and sugar. Pour over meat and refrigerate overnight, turning meat at least once during marinating. Drain meat; reserve liquid with onion and celery. Rub meat with 2 tablespoons of the flour. Heat fat in heavy kettle; add meat and brown well on all sides (this will require about 30 minutes). Add reserved liquid and bring almost to a boil. Cover tightly. Cook over low heat at simmering temperature on top of range about 3 hours or until meat is tender. Remove meat to hot platter. To thicken gravy, blend remaining 4 tablespoons flour with 1/2 cup cold water to make a smooth paste; add a small amount of hot gravy. Add four paste, all at once, to hot gravy in kettle, stirring briskly to prevent lumping. Cook, stirring constantly, until mixture thickens. Yield: 8 servings.

## Grapefruit Stars At Breakfast

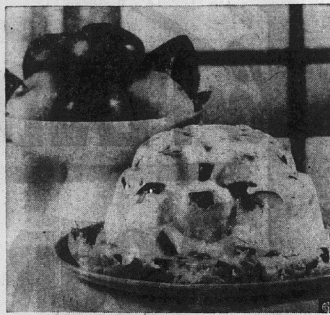

With all the emphasis on winter health and better breakfasts, it's a wise woman who sets her table for the first meal of the day with the proper components for good health and energy. And every woman knows that nothing has a cleaner wake-up taste than a juicy half Florida grapefruit.

Florida grapefruit is at the peak of its goodness and flavor now. You'll find both seeded and seedless, white and pink grapefruit in your market. Fix them properly, separating each section from the dividing membrane, and serve every while they're so good. For they're so good for you! Low in calories, high in vitamin C, they're your abject ally whether you're fighting the battle of the bulge or the common cold. Vitamin C cannot be stored in the body to any extent, therefore people of all ages need citrus fruit daily, as they are prime suppliers of the vitamin. Pregnant mothers and teenagers especially need a goodly amount of daily vitamin C.

It may seem surprising but many children have never even seen a grapefruit. Let alone eat one. Try fresh Florida grapefruit on your children; they may just like it! But if they find it a bit tart, sweeten a half with a spoonful of honey, brown sugar or an orange section as shown in the photo.

Besides your daily citrus, a well-balanced breakfast should include eggs, for protein, in some form (here's an omelet, a pleasant change and easy too), sausage or bacon or ham; toast and butter and, of course, milk. Remember that adults need milk just as children do.

## Modern Mold Dramatizes Waldorf Apple Salad

The world-famous Waldorf Salad now is found in as many versions as there are cooks, but the original combination of sweet and tangy apple chunks, rich, crunchy walnut bits, crisp and cool celery strips remains the flavorful basis for this family-favorite salad. This modern interpretation catches these basic ingredients in a handsome molded tower of gelatin, fluffed with whipped cream and mayonnaise. Bright bits of Washington State Red Delicious or Winesap apples peek through the gelatin to create a "show-piece" salad for luncheon, dinner, or buffet serving.

### Jellied Waldorf Mousse

1 pkg. lemon-flavored gelatin  
1 cup hot water  
1/2 tsp. salt  
1/2 cup mayonnaise  
1/2 cup diced celery  
1/2 cups diced, unpeeled Washington Red Delicious or Winesap apples  
1/2 cup chopped nuts  
1/2 cup cream, whipped  
Dissolve gelatin in hot water. Chill until thick and syrupy. Blend mayonnaise and gelatin until smooth, then add diced Washington apples, celery and nuts. Fold whipped cream into gelatin mixture. Turn into 1 quart mold which has been rinsed in cold water. Chill until firm. Unmold onto salad greens. Serves 8.

**COURT OF HONOR FOR  
BOY SCOUT TROOP 15**  
Boy Scout Troop 15, sponsored by the Eagles, held a court of honor at the Eagles home, 26th street and Madison avenue, Sunday evening with Scoutmaster Charles Rodell in charge of the ceremonies.

The evening began with a flag presentation by Jim Smith, senior leader, assisted by Scouts Richard White, Larry Stawar and Gary Gulka.

Rodell conducted an investiture ceremony for Alan Bogovich, Jimmy Johnson, Larry Lip-pold, Mike Ouschowski, Larry Ross, Barth Russell, Tommy Schmid, Greg Vesaas, Jim Worthen and Gary York.

Richard White and Rickie Melroy were presented with first-class badges by Terry Flach, junior scoutmaster, and Mike Flach, Stanley Rodell and Larry Stawar advanced to the rank of star scout and were presented with their badges by Rodell, who was assisted by Tommy Thompson and Billy Thomas, junior assistant scoutmasters.

The committee chairman, Jim Stone, presented one-year pins to Craig Haynes, Charles McMillan, Stanley Rodell, Jim Smith, Larry Stawar, Rusty Sharp, Bruce Moore and Billy Barton; two-year pins to Casey McGee, Stanley Rodell and Rick Hensley; three-year pins to Billy Thomas and Jim Smith; and a four-year pin to Terry Flach.

Bob Grayson was promoted from instructor to junior assistant scoutmaster and was awarded a senior stripe, and Rickie Melroy was elected troop scribe and given his badge of office.

Assistant Scoutmaster George Gulka presented merit badges to Mike Flach, Larry Stawar, Gary Gulka, Rick Melroy, Casey McGee, Rusty Sharp, Larry Huett, Bob Grayson, Stanley Rodell, Craig Haynes and Ricky Melroy.

After the ceremonies, slides and movies of Camp Sunnen were shown by John Haynes, assistant scoutmaster. The movie was of the troop's 1961 camping experiences and was presented by Walter Stawar, troop commit-tee chairman.

Rodell announced that the troop will go to Camp Sunnen for the first week of the camp is open, June 24 to June 30, and explained the scouts' needs for this trip to the parents. A closing ceremony was given by Bob Grayson, and refreshments were served to approximately 100.

**MRS. BIGGS HONORED  
WITH CRADLE SHOWER**  
The GAB club complimented Mrs. Imogene Biggs with a cradle shower Sunday afternoon in the home of Mrs. Emma Portel, 2624 Edgewood avenue.

The Portel rathskeller was decorated in pink and blue, and streamers in those colors were suspended from the ceiling to form a canopy over the gift table.

After the opening of the many gifts by Mrs. Biggs, games were played and a light dessert course was served to the guests.

Guests were Mrs. Margie Benner, Mrs. Gaye Hanna, Mrs. Bert Hickman, Mrs. Delores Sanders, Mrs. Pat Biggs and daughter, Coral Ann, Mrs. Carol Gendron, Mrs. Alvada King, Mrs. Jane Duncan, Mrs. Peggy James, Mrs. Opal Earmoy, Mrs. Rose Mary Perkins and daughter, Gail, Mrs. Chris Shields, Mrs. Mary Bridges, Mrs. June Hickman, Mrs. Helen Frazier and daughter, Barbara, Mrs. Marilyn Dostal, Mrs. Ethel Zimmer and Mrs. Barbara Mueller.

**Harsh Installed As  
Roca Club President**  
James Harsh was installed as president of the combined chapters of Roca young men's club Tuesday night during a banquet and member recognition program held at the "300" room of Big Top Bowl.

Harsh also received the club's founder's award from club sponsor Earl Parsons, who was the first Roca club president. Chapter plaques were presented to Dan Bravley of Gold chapter and Warren Markell of Black chapter, owing as contributing the most to the club's program during the past year.

Retiring chapter presidents Robert Chapman and Quentin Hoover were presented with gifts by Roca's reigning sweetheart, Miss Arlette Alexander. Guest speaker at the installation was Herman Greve, member of the Toastmasters club, who stressed the importance of brotherhood in an individual's attempts to understand and help others.

Installed with Harsh by Parsons were the following officers (for 1962): Bill Niepert, external vice-president; Pat Withers, internal vice-president; Don Davis, secretary; Harold Love, treasurer; Bob King, pledge-master; and Vic Buehler, sergeant-at-arms.

During a business meeting following the installation, Roca members voted to offer financial assistance to the Granite City Scholarship Foundation. A fund-raising car wash will be held with a local service station Saturday from 9 a. m. to 5 p. m.

evening in her home, 1632 East 23rd street.  
Pinocle was played, with first prize won by Mrs. Ann Shannon, second by Mrs. Emma Tappel, third by Mrs. Leona Spickett and the hostess prizes by Mrs. Tappel and Mrs. Ethel Weiss, April 10.

The hostess served a late dessert course to the prize winners and Mrs. Edith Lemontovich and Mrs. Cecelia Warnhoff. Mrs. Lemontovich invited the club to meet with her in her home, 1623 East 23rd street on April 10.

**CAR PROJECT BY  
ST. ELIZABETH GROUP**  
The Holy Name Society of St. Elizabeth Catholic Church met in the cafeteria of St. Elizabeth school Tuesday evening to make plans for their project, "Car for Stamps." Elmo Bury, president,

conducted the meeting.  
A new car for the Sisters is to be "purchased" for premium stamps, and the club's goal is to complete the project before the end of the year. The club is accepting any kind of trading stamps. The stamps or stamp

books may be dropped off at the home of Mike Tondas, 1801 Pontoon road, or he will call at meeting. The film explained in- timate parts of the wiring and up. Tondas reported that a device necessary for Col. Glenn to communicate with Earth on his orbital flight Feb. 20.

**James Todds Parents  
Of Fifth Daughter**

Mr. and Mrs. James Todd, 2612 Delmar avenue, are the proud parents of their fifth daughter, born Wednesday at Memorial Hospital in Belleville. The in-

fant weighed nine pounds and has been named Mari Ruth. The couple's other daughters are Linda, 17; Jamie, 13; Lisa, nine; and Jean, six.

A flotilla of the U.S. Pacific fleet consists of a cruiser and two destroyer squadrons.

**IT PAYS**

Aim to spread a little sunshine daily—give it top priority in the inventory of life.

**EXPERT**

People won't find life a burden unless they allow their conscience to burden them.

**THE PAY-OFF**

The price you pay for experience is secondary — it's the knowledge you gain that counts.

Of Chinese origin, the soybean has been a major source of food and oil in China and Japan for thousands of years.

**SURFACE SCRATCHED**

Higher education may help a student cover a lot of ground, but it never cultivates it.

Layercake served at an afternoon or evening snacktime, should always be accompanied by dessert size plates and forks.

**PERFECT AIM**

Make this the goal of every day living—today is going to be the best day of the year.

Missouri's state name is derived from that of an Indian tribe of Sioux who were called Missouri.

**BAD HABIT**

Worry causes friction—it contributes to the wear and tear of the thinking apparatus.

Power acquired by guilt has seldom been directed to any good end or useful purpose.

### 2-County C of C Group Meets, Outlines Plans

The Metro East Chambers of Commerce Association (MECCA), met for the first time Monday evening at a Wood River restaurant, with Tri-Cities Chamber of Commerce Manager Harlan Dobry and Vice-President Chester L. Baker representing this area. The group is made up of C. of C. members throughout Madison and St. Clair counties.

Scope of the organization, Dobry said, will include promotion of bi-county zoning and land use programs, development of water transportation, and studies of area highway and bridge needs. Tentatively scheduled is a survey to determine area manpower skills.

With plans made to meet again in about two months, MECCA discussed the purposes of the metropolitan exposition commission and the southwest Illinois study commission, both established by the Illinois General Assembly last year.

**Hit-Run Accident**  
Billy Wallace, 1730 Dolmar avenue, reported to Granite City police Tuesday that the left front fender and front bumper of his 1957 Buick were damaged when struck by a hit-run motorist. He said his car was parked at his home when the incident occurred.

### GC Board Accepts Bids, Discusses Tax Objection

Purchases were authorized in five categories of bids at a semi-monthly session of the Granite City Board of Education Tuesday night. Included was a moving machine costing \$394, ordered from Elmer Hoffert and Sons. Bids ranged from \$353 to \$401. The administrative staff's recommendation noted that the \$394 machine has a new design which enables it to run twice as fast as the "pitman" type, with less vibration. It was a six-foot wheelbar and three-point hitch. Metal roofing for the district's maintenance shed was ordered from Robertson's Farm Supply on its low bid of \$189. The material is "Stanghams," a Granite City Steel Co. product.

The Admiral Chair Company's low total bid of \$82 on three chair trucks was accepted. The trucks will be used at the Wilson, Maryville and Lake grade schools.

### Jack Friedman Named President of Firm

Jack Friedman was named president of E. A. Friedman Co. during a meeting of the store's board of directors Monday evening. He succeeds his father, E. A. Friedman, who was named vice-president and treasurer. Joseph Friedman was elected vice-president, and Mrs. E. A. Friedman, secretary, the post formerly held by the president.

The new president, who worked at the store, Fifth street and Madison avenue, Madison, while attending school here, became closely associated with it in 1945 following service in the armed forces.

The firm is to observe its 40th anniversary starting tomorrow. It recently completed modernization and expansion program.

### 1000 Witness Coolidge Faculty-Lettersmen Game

An estimated 100 persons witnessed the second annual basketball game between the faculty and lettersmen's team at the Coolidge junior high school gymnasium Monday evening. The faculty won, 52-42.

The program included half-time entertainment by the school's Latin-American rhythm ensemble and by a student, Vincent Debevo, who presented a cordoned selection. Proceeds from last year's and this year's events will go into an activity fund for an as yet undesignated school improvement.

The junior high athletes coached by a student, Connie Ybarra, were led in scoring by Charles Mizerski, with 11 points. The teachers won with a balanced attack, headed by Frank Kraus with nine points, John Tencoff with eight, Ken Parker with seven and Charles Weiss with six. They were coached by James Stuart.

### Door Frame Damaged

James Francis, 1217 Twenty-second street, reported to Granite City police Tuesday evening that vandals armed with an air rifle shot holes in the storm door at his home. He said at an earlier date, a headlight lens was broken in a similar manner while his car was parked at his home.

### Illinois TAX FACTS

By MAURICE W. SCOTT, Executive Secretary  
Taxpayers' Federation of Illinois

The Taxpayers' Federation of Illinois today cited improvements in the management of the state's financial affairs as a result of the work of the Legislative Audit Commission. Maurice W. Scott, Federation Executive Secretary, commended the chairman, Senator W. Russell Arrington, Evanston, other members of the commission and its staff for exceptional service to the taxpayers of the state.

Amounts totaling in excess of \$24,000 have been collected since the commission was organized in 1957. The commission has no revenue collecting responsibilities as such. However, it has caused these revenues to be collected. Since some of these items constituting this total are continuing or recurring, the amount is expected to exceed \$1,000,000 in the near future.

### Election Ballots

The Double D Printing Co. of Madison was awarded a contract for printing school board election ballots on its low bid ranging from \$50 to \$101, depending on the number of candidates to be listed.

Two bids were awarded on cafeteria kitchen equipment. Seventy-five dozen plastic cups will be bought for \$187 from Schweizer Wholesale, and two plastic racks were purchased for \$16 from Peerless Hotel Supply.

The Teamsters and Chauffeurs union is still studying the school district's 1961-62 contract proposal. Harold M. Kaiser reported.

At the request of Building Service Employees Local 98 and two cafeteria employees, the board reversed the two on the seniority list. Net result of the adjustment will be to reverse their \$1.65 and \$1.85 current hourly wages and their respective \$1.70 and \$1.90 wages in 1962. Pay is based partially on seniority, and correction of the error in the initial list was the seniority group for both ladies, Dr. Kaiser said.

Sponsors for four radio station broadcasts of the section basketball tournament in Granite City were listed without discussion. Three stations had been approved earlier, and WSMI of Litchfield later asked to share broadcast privileges with WOKZ of Alton.

Minutes of the last meeting were corrected to show that the administrative staff is being asked to study a possible policy regarding future broadcasts of any school district events and to submit recommendations for such a policy statement to the board.

Board Member Homer Huber asked the staff to check a report that the school district's delivery truck is equipped with a radio system.

A traffic safety plan at Mitchell grade school was proposed by Board Member George Stidham, Mitchell, IFA, president.

Participants are: Linda Lester, sophomore English major, daughter of Mr. and Mrs. Clyde Lester of 2725 Washington avenue, and David Rousseau, freshman of Mr. and Mrs. Louis Rousseau of 2137 Lynch avenue. The honors program is designed for students capable of doing independent and advanced study.

### Two Local Students On College Honors Program

Two students of Granite City are participating in the honors program at Central Methodist College, Fayette, Mo. Participants are: Linda Lester, sophomore English major, daughter of Mr. and Mrs. Clyde Lester of 2725 Washington avenue, and David Rousseau, freshman of Mr. and Mrs. Louis Rousseau of 2137 Lynch avenue. The honors program is designed for students capable of doing independent and advanced study.

### Local Sailor In 'Pot Shot'

Phillip White, a seaman apprentice, USN, son of Mrs. Ida White of 1029 Douglas street, Madison, is participating in exercise "Pot Shot" off the southern California coast aboard the USS Topoka. The exercise, which began Monday, involves over 60 ships and numerous other Navy and Marine Corps elements, covering all phases of land-sea operations.

Expenses of GCHS participation in the state wrestling tournament at Arlington Heights, Ill., were \$362, with \$6 refunded from a \$388 advance. District wrestling tournament expenses were \$80.

Other payments authorized Tuesday night totaled \$27,725 in the cafeteria fund, \$12,705 in the transportation fund and \$1,297 in the building fund.

Amount of the objection has not been determined.

Educational fund bills approved, totaling \$18,986, included \$656 for attendance by Dr. Kaiser and two board members at the annual school convention in Atlantic City, N. J., last month. Round-trip tickets cost \$361, and \$4 was refunded from a \$300 advance to Dr. Kaiser for payment of expenses for the three.

### Truck Mud Guard Law Inspection Point Here

Inspection time for Illinois' controversial truck rear fender splash guard law has arrived again.

The law, which requires certain types of trucks and trailers operating on Illinois highways to be equipped either with splash guards or to vehicles in transit and using temporary guards, to vehicles in transit designated by the state department of public safety.

Locally, trucks may have their vehicles inspected at the Brewer Motor Co., 2163 Madison avenue. Safety stickers are affixed to the windshields of trucks passing the inspections, which are concluded by November and May of each year.

Illinois state police resumed enforcement of the law on Dec. 30, 1960, after lengthy court action, including the granting of a temporary injunction against enforcement.

Both the contour and flap-type guards are required to be as wide as the tread of the tires on the trucks to which they are affixed. Minimum clearance between the lower edge of the

### Soccer Star Speaks To Twilight Optimists Club

Guest speaker at the regular meeting of the Twilight Optimists Club here at Monday evening was Reuben Mendoza, 1647 Olive street, former member of the St. Louis Kulus soccer team.

Mendoza related to the 12 Optimist members his experiences in the last two Olympic games. He also announced a start in organizing two soccer teams in Granite City: the Midgets, for boys nine to 12, and Juniors, 12 to 15. Any boys interested in playing, may contact him at the YMCA. Adult managers also will be added.

### 3 Lettermen Among 55 Track Squad Candidates At GC; Opener April 3

Granite City high school's track and field squad, which took its knicks during the 1961 season, is staffed for the most part by enthusiastic underclassmen this spring, some 55 varsity candidates in all.

A better turnout does not always mean a better performance, however, and a cautious Coach Ross Rosenthal called the outlook "indefinite" this week as the Warriors began earnest preparations for an April 3 opener, a dual meet here with Roxana.

**Quarter-Mile Strength**  
The Warriors, at this early date, appear to be strongest in the quarter-mile. Two of three returning lettermen, Seniors Larry Whitsett and Richard Love, make the 440 their specialty, although Whitsett probably will be depended upon in the half-mile this spring, too.

The third letter winner is senior Terry Fitzworth, who earned a numeral his sophomore year in the shot put and discus.

Eldon Poole, who lettered in pole vault and also found time to do some long hurdling in 1961, is not out for the squad this year.

When Rosenthal and Assistant Coach Andy Sullivan get past the 11th hour, they are greeted with 50-odd sophomores and juniors who could help them the cinder fortunes at GCHS upward this spring.

**Weather Factor**  
Calisthenics and long jaunts around Wilson Park have been all the practice allowed by the weatherman thus far. Indoor work is limited since no track facilities are available.

#### The 1962 track schedule:

April 3—Roxana, here  
April 6—Edwardsville, here  
April 10—West Wood River  
April 12—Cahokia, here  
April 15—Conference Relays  
April 21—Alton Invitational

Carl Wortham of Granite City scored 26 points and John Koelker of Venice added 24 Monday night as Sanford-Brown Business College won the Greater St. Louis College Conference basketball title by defeating the Normandy Branch of Missouri University at Ritenour high school, 90-73.

Sanford-Brown, Normandy and Eden Seminary had ended the regular conference season in a three-way tie for first place. Sanford-Brown eliminated Eden in a playoff game last week.

Wortham, who had already established a one-season scoring record at Sanford-Brown, raised his point total to 556 with Monday's game.

### Brown, Hrysko Win Basketball Letters At Kirksville State

Junior Eddie Brown and Freshman Dan Hrysko are among 11 varsity basketball players at Northeast Missouri State Teachers College, Kirksville, who have been awarded major letters in the sport for the 1961-62 season.

Brown, a 6-5, 208-pound forward, is the son of Mr. and Mrs. Earl Brown, 1023 Busell street, Venice. He was the third leading scorer for the Bulldogs during the past season, hitting 212 points in 17 games for a 12.5 average. He cleared 172 rebounds for a 10.1 average in that department, second best on the squad, and his letter was the third won in three years.

Hrysko was a starter for the Bulldogs during the last half of the season and averaged 9.9 points per game in 22 contests. A 5-8, 165-pounder, he is the son of Mr. and Mrs. Mike Hrysko, 1533 Sixth street, Madison.

## \*SOCIETY\*

### WSCS Program Topic 'Status Of Women Today'

"Status of Women in the World Today" was the topic of the lesson Tuesday evening at a monthly meeting of the Woman's Society of Christian Service of Niedringhaus Memorial Methodist Church.

Taking part in the presentation were Mrs. Beverly Barnett, who discussed "Women in Austria," a country which she visited last year; Mrs. Nina Watson, a native of Greece, discussed "Women of Greece;" Mrs. Golda Lillibridge, who resided in Peru last year, had the topic "Women of Latin America;" and Mrs. Mabel Barnes, "Women of America."

The Dorcas Circle was in charge at the meeting, and Mrs. Mary Ahlers led the group in song, accompanied by Mrs. Dora Grafford. Mrs. Woodie Lynn gave the devotion and Mrs. Mettie Koonce offered prayer.

During the business hour, presided over by Mrs. Minnie Prohardt, president, reports of the secretary and treasurer were heard and announcement was made of the Lenten offering to be taken in April. All Circles will discuss plans for the annual bazaar at their next meeting and will report to the executive board.

Forty-four were present, including three guests, Mrs. Beulah Gage, Mrs. Loretta Parrott and Mrs. W. H. Cramer, and refreshments were served by Mesdames Lottie Howerton, Mildred Danner, Lois Lester, Marie Smith, Golda Boyle, Margaret Kendall, Susie Kniffen and Corrine Hinson of the Nagai Circle.

## Job's Daughters Observes 'Buddies Night' Tuesday

Job's Daughters, Bethel 43, observed "buddies night" Tuesday in connection with a regular meeting.

A special guest, Mrs. Elberta Shelling, inspection officer and a past guardian of the Columbus Bethel, paid an official visit to the Bethel and Mrs. Nellie Baskette, guardian, was escorted and introduced.

Two candidates, Mary Shelton and Darlene Thies, were initiated, and during the business meeting there were nominations for a Beau Brummel who is to be announced at the annual "Beau Brummel" dance March 27. The regular meeting will convene at 6:30 and there will be dancing from 8-10. The theme will be the "Roaring 20's."

The group voted to assist other youth organizations in selling tags for the benefit of the scholarship fund, and Barbara Louis Librarian, reported on "St. Patrick."

Two birthdays were observed, those of Mrs. Edith Champion and her daughter, Margaret, and the group was entertained with Irish songs by Miss Cindy Zahn.

## Eric Ray Horn Is Six Years Old

Eric Ray Horn, six-year-old son of Mr. and Mrs. Ray Horn, 1331 Lindell blvd., celebrated his birthday Tuesday evening at a party given by his parents.

Children present were Gregory Reher, David Warfield, Nancy Asadorian, Candace Williams, Janet Gauer, Gary Schweinmann, Tommy Vrenick, Janet DeWitt, Jayne Knobbe, Richard Williams and Don Oran. There were gifts and favors for the guests and they were served refreshments by Mrs. Horn, assisted by her mother, Mrs. Clara Warfield, and daughter, Miss Barbara Horn.

## Golden Age Club Changes Date

A business meeting of the Golden Age Club of Kirkpatrick Homes was held Tuesday with 26 members attending.

Ben Olive, president, was in charge and announcement was made of the next regular business meeting to be held April 3, instead of April 10, due to the Madison county election, which new officers are to be elected.

Mrs. Nettie Coon, cancer dressing chairman, urged all members to attend the regular meeting Tuesday at 1:30 p. m. for the purpose of preparing handbags.

## Warns of Low-Flying Chemical Spray Planes

Jack Bettag, Venice, of the Farmers' Aero Spray Co., has informed area police that his firm's airplanes will be flying low over surrounding farms spreading farm chemicals, beginning this month.

Bettag noted that in some instances the farms lie directly next to city areas. The aircraft are clearly marked, he said, solid yellow in color with red checkered nose and tail sections.

MRS. ARTHUR BEDEIAN (right) takes part with comedian Danny Thomas in ceremonies opening the \$5,000,000 children's disease research hospital in Memphis, Tenn., which he financed there. She is the daughter of Mr. and Mrs. Toros Donjoian, 1745 Poplar street.

## 7 Quad-Cityans File Bankruptcy Petitions

Bankruptcy petitions have been filed by seven Quad-Cityans with the U. S. referee in bankruptcy at Springfield. It was learned here this week at the office of the Associated Retailers & Civic Association.

The petitions were filed by Charles Clifford Brewer, 2360 Miracle avenue; Earl Columbus Brooks, 4112 Lake drive; Carl Albert Courtright, 2121 (rear) Lincoln avenue; Sammie Lee Davis, 641 Ashland avenue.

Fred Rudolph Hausman, 1619 Edison avenue; Paul Edward Travis, 2526 West 22nd street; all of Granite City; and Charles Carl Chitts, 2022 Rhodes street, Madison.

## Former Resident With Star At Dedication

A former Granite City resident, Mrs. Arthur Bedeian, daughter of Mr. and Mrs. Toros Donjoian, 1745 Poplar street, was present with comedian Danny Thomas as he unveiled a statue of St. Jude at the dedication of a \$5,000,000 Memphis, Tenn., hospital for research in children's diseases last month.

A volunteer worker of the "Lady of St. Jude," Mrs. Bedeian now lives in Memphis, where her husband is employed. She also is a member of the 19th century club, junior department, and associated with the children's heart clinic at another Memphis hospital.

Thomas financed the hospital in answer to a prayer for success in 1937.

Mr. and Mrs. Bedeian have two children; Arthur, 15, and Lisa, 6.

## Kiwanis Honor Mrs. Hawks At Dinner Here

The Mitchell Kiwanis Club paid tribute to Mrs. May Hawks, who now is serving her 40th year as Mitchell postmaster, during a banquet Monday evening attended by approximately 50 members and guests.

The guest speaker was Samuel plant, postmaster of National Stockyards, who reviewed post office history and changes that have taken place since Mrs. Hawks began her career.

John Sands, president of the Mitchell Kiwanis, presented her with a plaque. Other guests were Postmasters W. Theodore Overbeck of Granite City and Adam A. Munsterman of Nameski. The Kiwanis district was represented by Lieutenant Governor Albert Bernard of Alton, and Orville LeGate, district chairman of the boys' and girls' committee.

Other activities included an introduction of three new members, Robert Blackard, George McKinnon and Harold Briggs.

Plans were announced for a spring fellowship meeting and ladies' night, on April 10 in Edwardsville. The Kiwanis annual pancake and sausage supper will be at 4 p. m. April 26 at parish hall, Mitchell.

Monday's banquet was held at the Rose Bowl restaurant.

## City's Largest Construction Permit For 'Hole'

Only seven building permits have been issued in Granite City but the total valuation is \$101,480 according to City Building Inspector Earl Bloomquist. He said a \$65,000 hot metal hole to be constructed at the Granite City Steel Co. is the reason for the surprising totals.

The "hole" will be at the north end of the open hearth near 20th and Omaha streets and will enable a crane to get hot metal at either end of the hearths. A similar receptacle is at the south end.

**2 New Homes**

Two dwelling permits also were issued by Bloomquist for two \$13,990 five-room frame homes at 180 and 186 West Poncon road in Briarcliff Subdivision. Addition 2, A \$2000 trailer installation permit was given to Ross Connor for a vacant lot at 2512 West 24th street.

## Bossism Issue Reason For Mudge Candidacy

"Bossism," one of the issues of his initial race for the state's attorney's office, is cited by Dick H. Mudge Jr., Edwardsville, in a statement of candidacy for Democratic state central committee-man in the April 1962 primary election.

"I am a candidate for the non-salaried party office of state central committeeman for the 24th Congressional district, Madison and St. Clair counties, for one of the same reasons I ran for state's attorney in 1956," Mudge says in the statement. He currently is serving his second four-year term as state's attorney of Madison County.

"Democracy cannot function properly under the domination of a few unscrupulous and miserably financed city political machines. The Democratic party in Illinois is controlled absolutely by the Chicago machine. Mayor Daley is at the wheel, disdainful of the services of a co-pilot, whether it be Sen. Douglas or Governor."

His personal selection of candidates for state or national office without regard for, or a dissenting voice from, the state central committee is a demonstration of overwhelming political power, exercised without restraint, for selfish political purposes.

"Let's not blame the senator or the governor or other elected officials when they obey the mayor's command on political matters. His is the only voice they can hear—loud and clear."

"Every Democrat who votes in November but does not vote in the April primary is responsible for the power of the machine, because a small turnout in the primary strengthens the machine's grip on the Democratic party."

"If I am elected state central committeeman, you can be sure I'll speak up for this district. I will oppose domination of the committee by Mayor Daley."

## Sales Tax Revenue For County Totals \$14,167

Revenue for the Madison county general fund from the half-cent county sales tax collected in December total \$14,167, according to a notice received this week by County Clerk Miss Eulalia Holz from Theodore J. Isaacs, director of the state department of revenue.

The state deducted \$390 as 4% administration cost from the county's total allocation which amounted to \$14,757, including \$14,712 from the retail tax and \$45 from the service occupation tax.

There were no protest payments in the county. It was noted on the report.

## 3 Local Mayors Issuing Proclamation For Firm

The three local mayors, along with others of the Southwestern Council of Mayors, are issuing proclamations to honor the 700 to 800 Quad-Cityans employed at the Swift & Co. National Stock Yards. The firm, to illustrate its payroll, is to give all employees their pay in \$2 bills this week.

Mayors Davis, Maerz and Dr. Lee are issuing proclamation for honoring the firm next week.

## Crossing Charge

An arrest ticket was issued to Jack L. Keel, 64, of 2106 Ohio avenue, at 4:30 p. m. Monday for going around the railroad crossing gates at Twenty-second bond.

Your family dentist guards your physical health

Your family lawyer can guard your legal health

If you're fond of your teeth, you and your family probably visit your dentist every six months. But how often do you visit your lawyer? Like a cavity, a legal problem often has a way of going undetected until a sharp pain—perhaps a lawsuit or a claim made against the title to your property—brings it to your attention.

You probably don't need a six-month legal checkup, but even the simplest contract, tax problem or lease deserves consideration by your family lawyer. And when you buy a home or other property, your lawyer's counsel will protect your interests at every stage of the transaction. One means of protection he may often suggest is a title insurance policy of Chicago Title and Trust Company—available locally from our representative in your county. Such policies have been protecting the titles of Illinois home owners for 113 years.

## Teachers Propose Opening of GC Contract Talks

Teachers Federation Local 743 is ready to begin negotiations for a new contract, the Granite City school board was informed Tuesday night by a letter from Mrs. Helen Bjorkman, chairman of the local's salary and policy committee. The teachers currently are in the second year of a two-year agreement with the district.

As requested in the letter, Supt. Harold M. Kaiser said he will place it on the agenda of the next board meeting March 27 so that the topic will be considered by the board.

The board approved employment of three teachers for the 1962-63 school year, all as elementary instructors to be assigned to specific positions later. They are Mrs. Mary Lou Hudson, 2209 (rear) Hodges avenue, 1961 bachelor degree from Southern Illinois University; Mrs. Diane Lee Noonan, 2419 Cleveland Blvd., 1961 bachelor degree from SIU; and Mrs. Carol Lynn Singleton, 2521 Lynch avenue, March 1962 bachelor degree from SIU.

Mrs. Patricia J. Rohrer was authorized to return from a leave of absence, effective March 5. She has been assigned to the Washington school kindergarten position.

The board approved attendance by William Schmitt of the Granite City high school coaching staff at a wrestling clinic March 22-24 at Stillwater, Okla. Expenses will be reimbursed.

Dr. Kaiser announced that Donald Dingworth resigned last week as Frohardt physical education teacher to sign a professional baseball contract with the Boston organization.

## Former Madison Resident Dies In Wisconsin

Mr. and Mrs. John Sever of Madison returned Tuesday from New Lisbon, Wis., where they attended funeral services Saturday for his sister, Mrs. Helen J. Welkonick of Pleasant Acres, Wis.

Mrs. Welkonick, 79, a former Madison resident, died March 7. Services were conducted at St. Paul's Catholic Church in New Lisbon, with interment in the church cemetery.

Surviving in addition to John is another brother, Mike Sever of Granite City. Mrs. Welkonick's husband, Louis, preceded her in death a number of years ago.

GIRL SCOUT DELEGATES to senior roundup at Button Bay, Vi., in July, and alternates who will attend another encampment in Wisconsin. Seated (left to right) Norma Riverburgh, Senior Girl Scout Advisor, Miss Dorothy Hinson and Linda Cusackowski. Standing (left to right) Kathy Brave, Pamela Bradley, Kathy Parker, Kathy Harsh, Martha Spengler, Margaret Juhasz, Ronelle Cooper, Mary Jane Zimmer and Judy Matras. Absent was Hedy Brinkmeyer.

## Five Local Girl Scouts Delegates To Roundup

Five senior girl scouts from the Quad-Cities area have been selected to attend the Girl Scout Senior Roundup at Button Bay state park, Vermont, on the shore of Lake Champlain. It was announced this week during Girl Scout Week.

The senior roundup is a highlight of the three-year celebration of the founding of the movement, and will be attended by 8500 girls from the 50 states, all U. S. possessions and all six world continents where Girl Scouts of Girl Guides are active.

Delegates to the roundup from the Quad-City area, District four, are Pamela Bradley, Mary Jane Zimmer, Margaret Juhasz, Kathy Parker and Martha Spengler. Miss Dorothy Hinson, senior advisor for all senior scouts in district four, also will attend the roundup as a troop leader. Forty girls from the recently organized River Bluffs council will attend, with a group of 20 alternate delegates, an event at Eau Claire, Wis.

Alternate delegates from local troops who will make the Wisconsin trip include Linda Cusackowski, Kathy Brave, Hedy Brinkmeyer, Ronelle Cooper, Judy Matras, Norma Riverburgh and Kathy Harsh.

## Area's Draft Quota— One Man In April

The Quad-Cities area draft quota for April will be one man, it was announced this week at the county selective service office in Edwardsville.

The lone draftee is to report to the county office on April 25 for induction. This month, seven local area men are to be drafted March 28.

The April quota for area men to report for pre-induction physical examinations is seven men on April 25. In March, the pre-draft physical call was for one man.

## MANGIARACINO TO CONTINUE PRE-TEEN YOUTH ACTIVITIES IN KIRKPATRICK HOMES AREA

THERE HAS BEEN some speculation because of the coming election that Mr. Leroy Mangiaracino will resign as head of the Pre-Teen Club in Kirkpatrick Homes Housing Project.

"This 'just hurr' av," according to Mr. Mangiaracino, "I plan a full schedule of activities in the year ahead."

Mr. Mangiaracino (the name he is called by most children and many of his friends) was asked to elaborate on the role he plays as head of the Pre-Teens.

A very modest man in his late thirties, he hesitated to take full credit for the work that is being done. It takes very little investigating, however, to learn that Mangiaracino has given freely and unselfishly of his time for more than five years in the youth programs.

During this time Mangiaracino has headed the Pre-Teen Club and a group known as the Sea Scouts.

In recognition of this and other work with youngsters Mangiaracino was elected President of the Madison County Federation of Community Services.

LEROY MANGIARACINO

ing projects throughout the entire County.

Says Mang, "Working with children is work that Mrs. Mangiaracino and I both enjoy."

"It is because of my close contact with most parents in the area that I was recently prevailed upon to file my candidacy for Committeeman in the 13th Precinct."

Mangiaracino is an active Democrat, it was learned. The response after he filed his petition, according to Mang, has been tremendous. "Help and support has come from all sides," he says. He expresses a keen desire to serve as Committeeman in his Precinct.

Leroy Mangiaracino impresses people as being a plain man, but an earnestly working and rightly interested in the betterment of his community.

When questioned about post-election days, Mang says simply, "I'll be working with the kids the same as always; even a game of catch is one way to keep a youngster entertained and out of trouble."

# Thousands of Trees To Be Planted At New SIU Campus

Thousands of seedling trees have been ordered for planting this spring on the new Edwardsville Campus of Southern Illinois University.

Most of them will be red and white pines, according to Edward F. Hume, landscape gardener assigned to the university architect's office at Edwardsville.

There also will be some Austrian, Scotch and Japanese black pines; needle-leaf plants including European Larch and bald cypress; white, pin and shumard oaks; cottonwood and tulip trees; sugar and scarlet maple; plus a few hundred each of Canadian hemlock, white fir, douglas fir, and American arbutus.

Some trees not usually considered for tree planting projects of this nature will be included to emphasize the natural character of the final result.

These include blackberry, wild cherry, honey locust, black locust, hickory, walnut and persimmon.

## For Soil Stabilization

Primary purpose for such a large scale planting, Hume explained, is for soil stabilization. A glance at an aerial photograph of the area, or a walk around the new campus site will quickly show that there is considerable erosion on here," he said.

"If this is not controlled, any reservoir for water on the campus will become filled quickly, as soil laden run-off waters will deposit their load of soil upon reaching the still waters."

The planting job will be in two operations. First, the surface of cultivated fields on the site will be sown to a mixture of legumes and grasses for quick coverage. Then, all steep slopes not now covered by woody plants or subject to early construction will be planted with trees and shrubs.

Such a project as this is too large for one planting season. Hume said. First efforts will be toward soil stabilization in the watershed of the utilities reservoir which will be constructed to meet the requirements of the physical plant. Later tree planting this season will continue on the steeper slopes of other watersheds for the campus area.

Rapid Growing Evergreens

Hume gave three reasons for selecting pines and other evergreens for the plantings. They have already proved satisfactory in many conservation plantings in this part of the state; they are relatively rapid growers; and evergreens intercept quite a lot of water falling any time of the year, thus distributing high intensity rainfall over a longer period and allowing more to be absorbed by the soil which reduces the intensity of the runoff.

While much of the planting will be done by planting machine for speed and economy, Hume said, every effort will be made to eliminate artificial results by making the pines with other evergreens, mixing hardwoods, curving the rows, and by varying the distance between rows and plants.

"We hope that this project can be used for other purposes such as chemical weed control trials and studies of nutrient deficiencies," he added.

Five lanes will be provided so crews can quickly move to any fire that might break out. They will be lined with shrubs so the lanes will not be covered as adjoining trees spread out. These lanes will also serve the double purpose as walks through the campus.

**'Fallout' Speech Wins GC Toastmasters' Award**

Winning the weekly speaking award at Monday's meeting of the Granite City Toastmaster Club was Dr. Leo Coleman whose talk was entitled "Fallout."

"Alcohol" was the title of a speech by Raymond Port, following the table topic "Our Look at Russian Women," which was named by Herman Greve, toastmaster of the evening. Critique was Dr. Claude Hiles and Earl Lee, with Marvin Dean serving as general evaluator. Charles Withers was grammarian.

# Amvet Post 187 To Open Cancer Crusade April 1

Plans are nearing completion for the April cancer crusade which will be sponsored in Granite City by Long Lake Amvet Post 187 and its auxiliary. Advance gifts and business solicitation will start April 1, with a house-to-house fund-raising drive conducted on Monday, April 16, Tuesday, April 17, and Wednesday, April 18.

Stephen Hordesky, commander of Post 187, is serving as chairman of advance gifts. Mrs. Etta Rutherford, auxiliary president, has appointed Mrs. Hordesky as chairman of the house-to-house canvass, with Mrs. Ruth Schmidt, Mrs. Florence Powers and Mrs. Rutherford as co-chairmen. Hordesky and Mrs. Rutherford have announced that most of 70 drive districts in Granite City have chairman for the canvass. Volunteers for a few remaining areas may contact Mrs. Hordesky or Mrs. Rutherford at their homes.

The Roca club, headed by James Harsh, the Alpha Toldi-TS-113, sponsored by Miss Beverly Ayres, and a youth group from Amvet Post 187, headed by Miss Susie Rutherford, have agreed to take part in the solicitation at homes.

## Girl Slashes Wrists

A 16-year-old Granite City girl apparently attempted suicide by slashing her wrists and taking an estimated 25 aspirin tablets, police said. The girl was taken to the hospital by her father and was treated and released.

### 'Traveling Gavel'

The Granite City Kiwanis Club was presented the "traveling gavel" by four guests from the Belleville club at Monday evening's meeting at the Elks Club here. William Herman, president, said that the gavel will remain here for two weeks, after which it will go to the Glen Carbon chapter.

After the meeting, attended by 25 members, the special events committee planned with a group from Granite City's Bowling Boat Club, a motorboat race to be held Aug. 12 on the Mississippi River near the Hartford canal.

During the meeting, a film entitled "Market of the 60's" was presented by Homer Johnson of the Metropolitan Life Insurance Co., and Thomas Murphy of Granite City, a guest.
